**Filling Your Child's Emotional Cup** through the

# Circle of Security

Today's parents are constantly pressured to be perfect. But in striving to do everything right, we risk missing what children really need for lifelong emotional security. Do you feel like you need an instructional manual to understand your child?

## **YOU HAVE ONE! It's Your Child!**

- Use the Circle of Security to see the need—see through the behavior
- Recognize when/how to be your child's **secure base** or **safe haven**
- Explore parental **"shark music"**
- Learn to follow your child's need when possible, take charge when necessary
- Be strong hands that are **wise** and **kind**.
