REMINDERS

Please don't send any
outside food with your
child to eat during meal
times, we have many
different allergies in the
classroom and building!

WHAT ARE WE DOING THIS WEEK?

Monday- Children will work on using their
small muscles, children will be counting and
using stickers.

Tuesday- Children will be working on keeping
their thumbs up when cutting and using
scissors. Children will cut straws to make tiny
tubes to be used for Wednesday's day activity.

Wednesday- Children will use the small
muscles and string and bead cut-up straws
using fishing wire.

Thursday- Children will get explore and use
the water droppers. Each child will pick two
colors of ice cubs and then use warm water to
melt them. Children will make predictions and
guess what color will appear after mixing two
together.
