### WHAT ARE WE DOING THIS WEEK?

**Monday-** Children get to use their small muscles and use scissors. Children will get to cut out their own snowman pieces for Tuesday's small group activity. During the read aloud children will talk about the snowman and all of his pieces.

**Tuesday-** Last week children were introduced to the tape dispenser and stapler, they will get to choose the tool they want to use to build their snowman.

**Wednesday-** Children get to listen to the mitten story, and then after draw what happened in the story and what animals were in the story!

**Thursday-** Children get to take turns playing charades from the mitten story, we will use the parachute as the mitten in the classroom!
