WHAT ARE WE DOING THIS WEEK?

Monday- Children get to use the wood shapes and create pictures using pattern cards!

Tuesday- Children get to use the “alphabet soup” children will use tweezers to pull the magnet letters out of the bowl, and match them to the sheet. Children will engage in turn-taking and sharing with peers.

Wednesday- Children will each get a tweezer and a pile of pom pom balls, children will then get to sort pom balls by size and color.

Thursday- Children get to problem-solve and build using the mini cups, children will talk about sizes and compare towers to one another.
