Home Visits are February 13th-16th

WHAT ARE WE DOING THIS WEEK?

Monday- Children get to use shaving cream and write and name letters using their fingers.

Tuesday- Children get to make a self-portrait using markers and colored pencils, children will get to talk about adding details and also practice writing names on their own.

Wednesday- Children get to make predictions and talk about a change of situation, children are going to experiment with oil water and food coloring then a teacher will add an alkzeter tablet to make a lava lamp!

Thursday- Children get to explore the instruments and make a marching band!
