Home Visits are February 13th-16th

WHAT ARE WE DOING THIS WEEK?

Monday- Children get to work on large motor skills and participate in jumping, galloping, and kicking ball activities. For small group, children will use pattern blocks and extend patterns or make their own.

Tuesday- Practice Fire Drill, children will listen to social stories and practice lining up and talking about where we walk to and what our kind hands, kind feet, and kind mouth will look like.

Wednesday- Children get to work on counting and number identification using cars children will have to name the number on the car and park it in the correct spot based on the number it is!

Thursday- Children get to work on fine motor skills that will use more hand-eye coordination and cutting out shapes, this artwork will be saved and shown at the next home visit!
