Standards

- Maintain focus and sustain attention with minimal adult support.
- Participate in the community of the classroom.
- Creates art work that depicts objects and events and/or expresses feelings, thoughts, and ideas through a variety of two-dimensional and three-dimensional processes and share about them.
- Follows classroom rules and routines with increasing independence.
- Uses perceptual information to guide motions and interactions with objects and other people.

What Are We Learning?

MONDAY: Today for Small Group Time, the boys and girls explored with shaving cream by drawing pictures & shapes or writing letters & numbers. Next week, we will practice writing the letters (RKAVMNXYZ) in the shaving cream as well as their names. The children were introduced to helper jobs. We talked about the expectations for each job and when they don't have a helper job they are on vacation. The helper jobs will start next week when they come back to school on Tuesday.

TUESDAY: Caroline's family planned a cookie decorating activity for Small Group Time. Thanks for sharing an activity that your family enjoys to do together at home!! Two children chose songs for us to sing and move our bodies during Large Group Time.

Have a great rest of the week & enjoy your weekend!
Looking forward to visiting with each of you at your child's home visit!!
