

## As you enter our halls.....

To the Children:  
September is here and soon comes fall.  
So welcome children, Welcome All!  
We hope summer was really fun,  
And that your glad school has begun!

To the Caregivers:  
We gave you a little smile as you entered our halls today,  
For we know how hard it is to leave, and know your child must stay.  
You have been a loving guide, but the time has come to leave them by our side.  
Just know that as you drive away, and perhaps tears flow,  
we will take care of them like we would our own to help them learn and grow.  
So please put your mind at ease, and cry those tears no more,  
For we will watch over them, and take them in when you leave them at our door.
