Small Group Activities

Monday 11th – Children get to listen to the story Perfect Square, the story is about a paper square that is cut up and made into different pictures using different scissors with edges and hold puncher. Children will then also get a square and make a picture of their own using the same items.

Tuesday 12th – Children get to make stained glass snowflake pictures using clear contact paper and small tissue paper.

Wednesday 13th – Children get to use the rhyming box cards and items, children will match the objects that rhyme and also talk about words that don't rhyme.

Thursday 14th – Children get to listen to the story Rainbow fish, we will talk about friendship and sharing and how that looks in our classroom. Children will then also get to make a rainbow fish the teacher will give each student a piece of the tinfoil to represent sharing. Children will glue on piece and color to make their own rainbow fish.
