WHAT WE ARE LEARNING

Monday: Identifying Feelings

During small group, the children will look at a variety of feeling pictures. The children will describe the feeling they see in the picture and describe a reason the person may be feeling that way.

Tuesday: Reading a Map

During small group, the children will practice reading and talking about a map of the classroom.

Wednesday: Making a Prediction in a Story

During small group, the teacher will read the story, "The Dark At The Top Of The Stairs". While reading, the teacher will give an opportunity for the children to make a prediction. The children will draw a picture of what they think the mouse sees at the top of the stairs.

Thursday: Journals

During small group, the children will practice writing the letter X.
