REMINDERS

We don't celebrate holidays at our center but children are allowed to dress up and pass out treats if that's how your family celebrates!

Small Group Lesson

Monday- Children get to talk about bones and skeletons, children will use their picture of their arm traces to make their own bones using glue and q-tips

Tuesday- Children get to problem solve and be architects building with the foam blocks and shaving cream.

Wednesday- Children get to talk about pumpkins, where they are grown, what is inside of them, then children will clean them out talking about how the pumpkin guts feel and smell like then children will get to count pumpkin seeds.

Thursday- Children get to make pumpkin volcanos using pumpkins from the day before, we will also use vinegar, baking soda and food coloring and talk about what we see.

IMPORTANT DATES

- Nov. 11th - 14th closed, at school conferences all week.
