WEEK OF: Oct 21-24

What We Are Learning

Monday: Exploring Pumpkins

During small group, the children will be exploring real pumpkins. They will learn the different parts of a pumpkin during this activity.

Tuesday: Pumpkin Life Cycle

During small group, the teacher will read a story about the pumpkin life cycle. The teachers and children will discuss the different phases of the pumpkin life cycle.

Wednesday: Bus Safety Day

During small group, the children will be learning about red/green choices while riding the bus. The children and teachers will then be taking a ride on the school bus to practice the green choices that they learned.

Thursday: Pumpkin Sun Catchers

During small group, the children will decorate their own pumpkin shaped sun catchers.
