Head Start 701-227-3010 press 1, ext 1224

Small Group Lesson

Monday- Children get to use shape blocks to make pictures of animals, flowers, and cars.

Tuesday- Children get to make their own pattern using sounds and movement. Then children will get to make their own pattern using paper squares and triangles and glue.

Wednesday- Children get to talk about what habitat means and sort the animal stickers by their habitat. We will talk about animal characteristics and what they look like compared to other animals in other habitats.

Thursday- Children get to experiment using water droppers. Children will each be given ice cubes with pom balls children will melt ice by using warm water and water dropper and talk about how we melt ice, how ice is made, what ice feels like.

IMPORTANT DATES

- Winter break Dec. 24th -
