A quick look at what's happening in November.....

6th, 7th, 10th

Hettinger County Conferences

11th

Hettinger County Closed

10th through 13th

Dickinson Center Conferences

14th

Child Team Staffings

19th

Policy Council Meeting 12:00

21st

Home Base Socialization

26th

- Hettinger County Closed

- Dickinson Head Start No School

27th and 28th

Hettinger County and Dickinson
Head Start Closed

A big **THANK YOU** to all our families
that read and recorded their time in
September and October. We had a
GREAT return rate for the Back Pack
Reading Logs!

Keep up the good work!!!

Child Team Staffings

Head Start has established an agreement with Badlands Human Service Center to provide monthly meetings with parents/guardians, staff, and representatives from Badlands to provide support for parents/guardians and teaching staff.

If you are interested in scheduling a staffing please contact Brittany Brown or your child's teacher.

CHILD TEAM

STAFFING DATES

November 14th

December 19th

January 16th

February 13th

March 13th

April 17th

May 8th

BETTER
TOGETHER

CONFERENCE REMINDERS

Hettinger County - November 6th, 7th, and 10th

Dickinson Center Base - Week of November 10th

NO PRESCHOOL on conference days

Healthy Habits for a Happy November!

Brrr! Cold weather + little ones = time to boost those healthy habits!
Cozy up and let's keep those pesky germs, coughs, and colds away!

Dress for the Weather

The temperatures are dropping fast and winter weather is right around the corner! Please make sure your child comes to school dressed for the cold weather. Layers are always best! A warm coat, hat, mittens or gloves, **snow pants**, and **boots** are a must once the snow and wind pick up. We often go outside to play, even when it's chilly so being bundled up helps keep everyone warm and comfortable while staying active. If possible, keep an extra set of clothes in your child's backpack or cubby in case things get wet or muddy.

When to rest at home

Even the busiest little ones need a rest day sometimes! If your child has a fever, a bad cough, vomiting, or just isn't feeling like themselves, it's best to let them stay home and rest. A day or two of rest helps them recover faster and keeps germs from spreading to friends.

Stop the Spread of Germs

Little hands love to explore and touch *everything*!  Remind your little germ-buster to wash their hands often. Encourage them to cover coughs and sneezes with their elbow and to use tissues when needed.

Build Healthy Habits

Healthy routines make a big difference this time of the year! Good nutrition, plenty of sleep, and staying active all help boost the immune system.

A warm breakfast, colorful fruits and veggies (full of vitamins!) are simple ways to help your child stay strong and healthy all season long!

Friendly Reminder

As part of Head Start requirements, each child needs to have a current **physical exam** (well-child exam) and **dental exam** on file. Please schedule those doctor and dentist visits if you haven't already! Let us know if you have any questions or need help setting up appointments, we're happy to assist!
