

Miss Ally's NEWSLETTER

WEEK OF MAY 4 — MAY 7

OUR WEEK OF LEARNING:

Monday – Today the children will be learning about volcanoes, as we use paper mâché to construct our own volcano.

Tuesday – The children will be using their small muscles to draw their self-portraits.

Wednesday – Today the children will be painting their volcanoes, while continuing to learn about how they work.

Thursday – Watch out for the lava! The children will get to take their volcanoes outside and learn how to make them explode using baking soda and vinegar.
