

## Our Week of Learning

**Monday 9/7/26:** No School

**Tuesday 9/8/26:** Today we will be playing a game centered around being a good friend and what that looks like. The children will also get the chance to show their teachers that they know where the toys belong and how to clean them up.

**Wednesday 9/9/26:** YUCK GERMS! Today we will talk about germs - how they spread, why they aren't good for you, and how to get rid of them. We will also practice washing our hands.

**Thursday 9/10/26:** We will learn about the importance of brushing our teeth and what foods are good and not good for our teeth.
