

Our Week of Learning

Monday 10/12/26: We will start the week off by playing a game that will go over red and green choices. The children will strengthen their fine motor skills and counting by using clothespins to pick up puff balls and put them in cupcake liners during small group.

Tuesday 10/13/26: Cold days are fast approaching so today the children will practice putting on their coats and zipping or buttoning them up. For small group, the children will be helping the bear find its den for their winter hibernation. They will do this by making a pattern out of "rocks" to create a path for the bear to follow.

Wednesday 10/14/26: Letters have names! We will play a game today where the children will focus on learning the names of letters. We will also be working on ABC activities during small group - writing letters on small chalkboards and practicing to write their names.

Thursday 10/15/26: The children will draw their second self-portrait of the year and talk about Mat Man.

Reminders and Important Dates

- No School Fridays
